------------	---------------

All bowlers use their highest USBC Certified Average In the past (3) seasons (2010-11, 2011-12, 2012-13) with a minimum of 12 games. If no such average, bowlers may use their highest current average with a minimum of 12 games. If a bowler has no average, men use 175 average; women use 150 average. Handicap is based on 100% of 210.
